

The Municipal Waste Management Association

Fall Summit 2003

Detroit, Michigan

Clare Lindsay, Project Director, Extended Product Responsibility
Office of Solid Waste, U.S. EPA

Biographical Profile

Clare Lindsay is Project Director for Extended Product Responsibility in the Office of Solid Waste at the United States Environmental Protection Agency in Washington, D.C. Ms. Lindsay has been with EPA for 12 years, specializing in municipal waste recycling policy and product stewardship. Ms Lindsay has served as EPA's representative to the OECD's research program on Extended Producer Responsibility and has been actively involved in product stewardship initiatives with the electronics, carpet and beverage industries. Before coming to EPA, Ms. Lindsay practiced environmental and energy law in the private sector.
