Josephine Powell, Director, Environmental Outreach Division
Wayne County Department of Environment

Biographical Profile

Josephine Powell is the Director of the Environmental Outreach Division of the Wayne County Department of Environment. Ms. Powell works on a variety of environmental compliance and public education and public affairs issues related to storm water management, air quality, solid waste and other issues and programs monitored, regulated and implemented by Wayne County. Ms. Powell has been an attorney for more than 20 years and received her Juris Doctorate degree from Wayne State University in Detroit. Prior to her employment with Wayne County, she worked in private practice and for the City of Detroit City Council and the Office of the Corporation Counsel.
