a powerful PARTNERSHIP.

SWAC designing solutions.

SWAC and MWMA work hand in hand to stay on the cutting edge of municipal waste and environmental issues. Shared Responsibility, Brownsfield Redevelopment, Cleaner Air and Water and Waste to Energy policy have all been influenced by our work.

- Work with MWMA's public sector members to identify trends and develop innovations promoting operational efficiencies.
- Contribute to and benefit from roundtable discussions with MWMA's public sector leadership.
- Promote and participate in dialogue concerning the legislative agenda and regulatory initiatives.

ACCESS. INNOVATIONS. RESOURCES. SOLUTIONS. JOIN SWAC TODAY.

The Solid Waste Advisory Council contributes to public policy discussions, provides programmatic support and shares new technologies and innovations with MWMA's public sector members. An affiliate of the United States Conference of Mayors, MWMA designs and delivers solutions to meet needs and challenges of municipal solid waste directors and environmental commissioners. Working together, MWMA and SWAC identify trends and challenges facing cities and develop new and innovative approaches to urban environmental concerns.

develop RELATIONSHIPS.

- Explore public/private sector partnerships with the key decision-makers - public works directors, environmental commissioners and recycling professionals - in America's top 100 cities.
- Utilize the expertise of our public sector members to conduct focus groups and needs analysis of the challenges facing urban environmental professionals.
- Communicate new innovations and technologies, designed to meet municipal waste, air, energy, water and other environmental needs of our cities.
- Exchange best practices and ideas in person at the Annual Meeting and Fall Summit or virtually, through the newsletter or listserv.

"SWAC MEMBERSHIP AND PARTICIPATION IN MWMA EVENTS HAS PROVIDED US WITH THE OPPORTUNITY TO IDENTIFY AND FOCUS ON THE WASTE NEEDS AND CHALLENGES OF PUBLIC SECTOR ENTITIES. WASTE MANAGEMENT HAS DEVELOPED AND NURTURED RELATIONSHIPS WITH HIGH LEVEL SOLID WASTE AND ENVIRONMENTAL PROFESSIONALS, HELPING US TO PROVIDE BETTER SERVICE TO OUR CUSTOMERS."
