MAYOR CARLOS A. GIMENEZ MIAMI-DADE EDUCATION PARTNERSHIP

Helping Young People Gain Valuable Work Experience

Dear Business Leader:

As part of Mayor Carlos A. Gimenez Miami-Dade Education Partnership, South Florida Workforce Investment Board (SFWIB) is launching the 2012 Career Pathway Compact Summer Employment Program Initiative.

The Career Pathway Compact is SFWIB's effort to train and place young adults between the ages of 18-24 in private and public sector employment for the summer of 2012.

This initiative will provide important work related experiences for young people that can help them develop a career path by exposing them to employment opportunities, and will allow them to gain valuable on the job work experience. The work they do will assist them in expanding their knowledge and confidence and will contribute to greater economic security for the county.

For more information, employers are encouraged to visit www.southfloridaworkforce.com to learn more about the program and sign up or call (305) 594-7615.

Your commitment to giving our young people an opportunity will build strong neighborhoods, stronger businesses, and a stronger Miami-Dade County.

Mayor Gimenez
