

# Summer Youth Employment

**YouthWorks** annually connects approximately 5,000 young people ages 14-21 to six-week summer jobs with public-sector and nonprofit worksites throughout Baltimore. Through **Hire One Youth**, YouthWorks' private-sector component, local employers directly hire pre-screened job ready students to youth for summer and year-round jobs.

The **21<sup>st</sup> Century Job Ready Toolkit**, newly developed by the Opportunity Collaborative, is a free curriculum that establishes consistent job-readiness standards for Baltimore City.
