

The United States Conference of Mayors

85th Annual Meeting

June 23-26, 2017

The Fontainebleau Hotel

Miami Beach, Florida

DRAFT AGENDA

June 22, 2017

KEY INFORMATION FOR ATTENDEES

Participation

Unless otherwise noted, all plenary sessions, committee meetings, task force meetings, workshops and social events are open to all mayors and other officially-registered attendees.

Media Coverage

While the plenary sessions, committee meetings, task force meetings and workshops are all open to press registrants, please note all social/evening events are CLOSED to press registrants wishing to cover the meeting for their news agency.

Resolution and Committee Deadline

The deadline for submission of proposed resolutions by member mayors is May 24, 2017 at 5:00 pm EDT. This is the same deadline for standing committee membership changes. Members can submit resolutions and update committee memberships through our USCM Community web site at community.usmayors.org.

Voting

Only member mayors of a standing committee are eligible to vote on resolutions before that standing committee. Mayors who wish to record a no vote in a standing committee or the business session should do so within the mobile app.

NOTICES

(Official functions and conference services are located in the Fontainebleau Hotel, unless otherwise noted. Please refer to your program for specific locations.)

REGISTRATION/EXHIBITS/HOST CITY HOSPITALITY DESK: The Conference Registration Desk and Host City Hospitality are located in the Luster Gallerie, Upper Lobby Level, Fontainebleau Hotel. Registration will be open from 2:00 p.m. to 6:00 p.m. on Thursday, June 22 and 7:00 a.m. to 5:00 p.m. on Friday, June 23 through Monday, June 26.

BADGES: It is requested that all delegates, participants, and guests wear their registration badges for all sessions and social events. The badge is the chief identification for admission to all scheduled events. Failure to wear badges may cause inconvenience to participants. Badges are color coded as follows:

Gold	(Mayor) Member City/Service City
Blue	(Mayor) Non-member City
Lime	Mayors Business Council Member
Aqua	Official Participant
Orange	Spouse/Accompanying Person
Yellow	Speaker/Guest
Red	Press
Navy Blue	Host City Staff

RIBBONS: Blue Ribbons signify Member Mayor, Red Ribbons signify Service City Mayor, and Yellow Ribbons signify Non-Member Mayor.

SPOUSES: Spouses/youth are welcome to attend all Conference evening social functions. Also, a special Family Program is available. Please register early, at the Host City Hospitality Desk located in the Luster Gallerie, Upper Lobby Level, Fontainebleau Hotel as some of the events are space limited.

WORKING PRESS: Press room facilities are provided for accredited news media representatives covering the Annual Conference and are located in Splash 15, Upper Lobby Level, Fontainebleau Hotel. Elena Temple-Webb, Director of Public Affairs, is responsible for all media arrangements. News media representatives may register in the Press Office beginning at 7:00 a.m. on Friday, June 23.

BUSINESS SESSION VOTING CREDENTIALS: Voting Credentials will be available for the Monday Business Session Vote at the Conference Registration Desk, located in the Luster Gallerie, Upper Lobby Level, Fontainebleau Hotel, beginning at 7:00 a.m. on Sunday, June 25.

It will be necessary for all Official Delegates who wish to vote to have these credentials in their possession. There is but one credential for each member city. If the Mayor of a member city is registered, the credential will be issued to him or her. If the Mayor is not registered and has not been in attendance at the Annual Conference, a registered official from his/her city must have been designated, in advance, in writing, to be the Official Delegate to receive the city's credentials.

If a registered Member Mayor anticipates that he/she will not be present at the Business Session, he/she may designate an alternate, who must be a registered official from his/her city, to pick up the city's voting credential and exercise the city's vote on Sunday morning. Such an alternate, however, cannot have the floor to speak to any issue under discussion.

The appropriate form for designating an alternate may be filled out at the Registration Desk, Luster Gallerie, Upper Lobby level, Fontainebleau Hotel from 7:00 a.m. to 11:00 a.m. on Sunday, June 25 and prior to the Business Session on Monday, June 26.

EVENING EVENTS

Florida Power & Light Presents: White Hot Night in Miami Beach, VIP Opening Party

7:00 p.m. - 10:00 p.m.

Fontainebleau Miami Beach Ocean Lawn & La Cote Lawn

Mayors are invited to enjoy the white-hot nights of Miami Beach, with a private poolside party at the iconic Fontainebleau Hotel! Here you will experience wonderful tropical flavors, ocean views, and a jaw-dropping performance by none other than eight-time Grammy Award winner Stephen Marley, sponsored by Baptist Health. At this opening party the Caribbean vibe will be sure to set the tone for an unforgettable weekend.

Kick-off the Conference in style, poolside at one of the most historically and architecturally significant hotels on Miami Beach, Florida. The spectacular hotel represents a thrilling blend of Miami's glamorous golden era and stylish modern luxury. A revered Miami Beach landmark for more than half a century, Morris Lapidus' emblematic curvilinear building sets a new standard for business and pleasure. The 22-acre oceanfront Miami Beach hotel features [signature restaurants](#) by award-winning chefs; two chic [nightlife venues](#); a [two-story spa](#), a virtually endless [poolscape](#), miles of pristine beach and state-of-the-art [conference and event facilities](#).

Even before it opened in 1954, the Fontainebleau had a rich history shaped by the rapid expansion of the Miami Beach area and its popularity with celebrities. That same persona lingers on – and tonight, we celebrate with the very best of Miami Beach – music, fine cuisine, and entertainment to thrill and delight our nation's leaders! **WELCOME TO MIAMI BEACH, MAYORS!**

Suggested attire: All-white ensembles encouraged!

DFASS Presents After Party: LIV MIAMI at the Fontainebleau

10:00 p.m. - 12:00 a.m.

With more than 18,000 square feet of striking architectural design and lavish decor, LIV sets the stage for the ultimate nightlife experience. A voyeuristic design throughout the nightclub gives guests a bird's eye view of the celebrities, VIPs and Miami's most beautiful crowd. LIV features VIP tables, private skyboxes, three full-service bars, and a lavish main dance floor.

Reducing Gun Violence in Cities with Innovative Technologies

2:30 p.m. - 3:30 p.m.

(Splash 9/10, Upper Lobby Level)

This armchair discussion will include two mayors whose cities have used technology both to decrease gun violence and improve police/community relations, a police chief, and an academic advisor who will address the importance of embracing disruptive technologies to preserve resident safety and quicken response times in our cities. Moderating the session will be the National Urban League President Marc Morial.

Airbnb: Providing Support to Your City in Times of Crisis

2:30 p.m. - 3:30 p.m.

(Flicker #3, Fourth Floor)

During and directly after a disaster, temporary shelter and accommodations for those who are displaced and for relief workers who have deployed to respond can be hard to find. In times of need, Airbnb activates its community of hosts and guests to aid government and non-governmental efforts to address this need. Join experts from the field of disaster response to learn about how Airbnb can partner with your city before, during and after a disaster. This best practice forum will outline how Airbnb's platform and host community can be activated to provide rapid and uniquely tailored support to cities. Audience members will leave this interactive session with practical information that can be used in the unfortunate event of a crisis in their community.

Imagining Future Cities Today

9:15 a.m. - 10:15 a.m.

(Fleur De Lis, Lobby Level)

Long term planning is a formidable challenge facing mayors from cities of all sizes, geographies, and budgets. At the same time, the pace of innovation is accelerating impacting everything from economic development and infrastructure improvements to mass transit reliability and efficient city services. Consequently, residents' and businesses' expectations for how their city will look, feel and operate are rapidly evolving – invoking questions about opportunity and uncertainty alike. Looking ahead to the next 10 to 20 years, how do mayors stay ahead of the pace of information? How can mayors use predictions, trends analysis and scenarios to implement smart, forward-thinking policies that resonate with their constituents today? How can they confidently adopt technology without the risk of being leapfrogged? This panel will feature a panel of prominent mayors who will share how they are addressing these challenges.

Closing the Skills Gap - Best Practices in Creating Pathways for Students to Successful and Rewarding Careers

9:15 a.m. - 10:15 a.m.

(Flicker #3, Fourth Floor)

As the nation strives to create new jobs and put people to work in new and burgeoning industries, the growing skills gap and lack of trained workers leaves many employers scrambling for talent. Mayors continually look for new ways to make strategic investments in education and training to close that gap. This forum showcases the leadership of USCM-Strada Education Network National Education Pathways with a Purpose grant award winning mayors and their work in designing programs and/or schools to help every young person be successful and ready to pursue postsecondary education or a career in the 21st century.

Host City Workshop: Our 5G Future

2:30 p.m. - 3:15 p.m.

(Fleur De Lis, Lobby Level)

In this next decade, our devices will connect all aspects of our daily lives – our homes, businesses, and schools, as well as our channels for entertainment and communication. In a 5G world we'll connect in ways that are almost unimaginable today. This next generation of wireless networks are on the near horizon, backed by billions of dollars of investment and millions of new jobs. 5G will fuel new levels of innovation and growth in the Energy, Health, Public Safety, and Transportation sectors. But these networks will also demand new levels of development and collaboration between local governments and the technology industry. Sprint COO Günther Ottendorfer shares his perspective on the unique opportunity for today's leaders to embrace innovative new 5G services that empower our communities. In addition, he'll share how local leaders can take advantage of the 1Million Project, the largest corporate initiative to bridge the digital divide and help close the homework gap for students across America.
