Women Mayors Leadership Alliance
of
The United States Conference of Mayors

The United States Conference of Mayors is the official nonpartisan organization of cities with populations of 30,000 or more. There are over 1,400 such cities in the country today. Each city is represented in the Conference by its chief elected official, the mayor.

This pocket-sized directory reflects Women Mayors of America's Principal Cities that are official members of The United States Conference of Mayors (USCM).

If you have any questions, need additional information about the directory, or would like to submit edits or changes, please contact Joan Crigger, Staff Liaison for the Women Mayors jcrigger@usmayors.org.
