Strategic Alliance Memorandum

between the

United States Small Business Administration

and the

United States Conference of Mayors

I. PURPOSE

The United States Small Business Administration (SBA) and the United States Conference of Mayors (USCM) (each a “Party” or, collectively the “Parties”) are joined by a common mission; helping start, maintain, and expand small businesses. The Parties will work together in the spirit of cooperation and open communications, consistent with law, with the primary goal of meeting the needs of the small business community.

The United States Conference of Mayors (USCM) is the official non-partisan organization of cities with populations of 30,000 or more. There are 1,395 such cities in the country today. Each city is represented in the Conference by its chief elected official, the mayor.

The primary roles of The U.S. Conference of Mayors are to:

- Promote the development of effective national urban/suburban policy;
- Strengthen federal-city relationships;
- Ensure that federal policy meets urban needs;
- Provide mayors with leadership and management tools; and
- Create a forum in which mayors can share ideas and information

The mission of the SBA is to aid, counsel, assist and protect the interests of small business by providing financial, contractual and business development assistance and advocating on their behalf within the government. SBA district offices deliver SBA programs and services to the public. Each Party has separate services and resources which, when delivered in coordination with each other, will provide maximum benefits to the small business communities served.

The purpose of this Strategic Alliance Memorandum (SAM) is to develop and foster mutual understanding and a working relationship between the SBA and the United States Conference of Mayors in order to strengthen and expand small business development in the local area. The Parties acknowledge that specific joint training and outreach activities

contemplated under this SAM require further negotiations and a separate signed agreement developed pursuant to SBA's cosponsorship authority. Nothing in this SAM permits United States Conference of Mayors to use the SBA logo or seal. The "U.S. Small Business Administration" name shall be used only in a factual manner, consistent with applicable law, and shall not promote or endorse any products or services of any entity including but not limited to United States Conference of Mayors.
