COVID-19 Health and Safety

The United States Conference of Mayors has requested that WithHealth provide COVID-19 testing for its attendees, using antigen testing. The following protocols will be implemented:

1. All attendees shall be registered in WithHealth's HIPAA secure patient portal and will be required to consent to testing. All information shall be treated as Protected Health Information. Information shall include the following: Legal First Name, Legal Last Name, Date of Birth, Address, Email (personal), Cell number (personal), and Sex
2. In order to attend the conference, all attendees shall be required to upload their vaccination card and register in WithHealth's HIPAA secure patient portal by scanning the QR CODE or using the link below.
3. All attendees shall be screened for symptoms via text or email daily.
4. All attendees shall be tested, using an antigen test, prior to and each day during the conference, in accordance with the antigen test FDA-EUA.
5. Attendees that test positive shall have a subsequent rt-PCR test completed for confirmation immediately following notification.
6. Attendees that test positive shall be required to isolate and quarantine for a minimum period of 5 days. They may end isolation once they are fever-free for 24 hours (without the use of fever-reducing medication) and their symptoms are improving. They shall not travel during the quarantine and isolation period, regardless of vaccination status.
7. Contact tracing shall be conducted of attendees identified as positive. rt-PCR testing shall be performed on all individuals that were in close contact with an attendee who tested positive for COVID-19, upon notification.
8. A WithHealth physician will provide notification of positive results to the attendee to discuss results and subsequent steps.
9. A WithHealth leader will provide notification to the Client of positive results, as listed in the consent document.
10. The WithHealth Testing Center, inside of the conference venue, will be open:
 - Tuesday, January 18 12:00 PM - 10:00 PM
 - Wednesday, January 19 6:00 AM - 8:00 PM
 - Thursday, January 20 6:00 AM - 8:00 PM
 - Friday, January 21 6:00 AM - 3:00 PM

[Click here to access WithHealth's secure patient portal](#)

Sample collection of symptomatic attendees and re-testing of positive attendees shall be conducted in the Capitol Hilton Hotel room of the individual attendee.

<i>Plenary Panel</i>	<i>Economic Development Through Microbusinesses: The New GoDaddy Venture Forward Initiative Discussion</i>

Microbusinesses are all around us. However, because these very-small businesses are either too new or too small to show up in traditional economic tracking, their impact has largely gone unnoticed. Venture Forward's mission is to change that. Venture Forward is a multi-year research effort by GoDaddy to quantify the impact of 20 million microbusinesses on the economy and their communities. The data is freely available to help policymakers better understand the importance of these microbusinesses and how to best support them. Learn how microbusinesses are creating more inclusive and resilient economies.

Delivering Innovative Infrastructure in America's Cities

11:45 a.m. - 12:45 p.m.

Federal

From equitable transportation to ubiquitous broadband, innovative infrastructure is critical to cities' economic competitiveness, social equity, and climate resilience. As the bipartisan infrastructure law makes the largest investment in US infrastructure in decades, how can cities and the private sector partner to create the best outcomes? This panel will explore the challenges and opportunities ahead, including new technologies, procurement models, and the path forward for delivering transformative outcomes.
