Press Registration

All press must [register](#) and pick up credentials to attend Annual Meeting events. Press credentials may be picked up beginning at 7:00 a.m. on Thursday, June 20 at the press registration desk.

Press Opportunities with Strauss Media

We are pleased to once again welcome our radio booking partner, Strauss Media Strategies. This year, the Strauss team will be working for the duration of the meeting out of the TBA Room from the hours of 6:30 a.m. – 5:30 p.m. If you are interested in being booked on your local radio stations back home to convey the work you’re doing as mayors and to promote all that you’re learning at the conference to make your cities stronger, please email them at uscm@straussmedia.com or feel free to stop by the TBA Room while they are there and let them know of your interest.

USCM Information Booth

Stop by our USCM information booth to learn how to leverage your membership with The U.S. Conference of Mayors. The booth will be open during the conference to answer any questions you may have.

Technical Support at the Booth

Additionally, you can get help with your USCM account, the mobile app, or a quick tutorial on how to use USCM Community—the Conference’s internal website that allows members to manage their contact and membership information as well as sign on to letters and submit resolutions—stop by our information booth during these times:

- **Thursday, June 20:** 10:30 a.m. - 11:30 a.m. and 2:00 p.m. – 3:00 p.m.
- **Friday, June 21:** 11:30 a.m. - 12:30 p.m.
- **Saturday, June 22:** 8:00 a.m. - 9:00 a.m. and 11:30 a.m. – 12:30 p.m.

Resolution and Committee Deadline

The deadline for member mayors to submit proposed resolutions or change standing committee membership was Tuesday, May 21, at 5:00 p.m. ET.

Voting

Only members of a standing committee are eligible to vote on resolutions before that standing committee. Mayors who wish to record a no vote in a standing committee or the business session should do so within the mobile app.

Business Session Voting Credentials

Voting Credentials for the Sunday Business Session Vote will be available at the Conference Registration Desk beginning at 7:00 a.m. on Saturday, June 22.

Official delegates must have their credentials in their possession to vote. There is one credential for each member city. If the mayor of a member city is registered, the credential will be issued to them. If the mayor is not registered and has not been in attendance at the Annual Meeting, a registered city official must have been designated in advance, in writing, to be the official delegate to receive the city’s credentials.

If a registered member mayor anticipates that they will not be present at the business session, they may designate an alternate, who must be a registered city official to pick up their credential and exercise the city’s vote on Sunday morning. Such an alternate, however, cannot have the floor to speak to any issue under discussion.

The appropriate form for designating an alternate may be filled out at the registration desk between 7:00 a.m. and 11:00 a.m. on Saturday, June 22, and prior to the Business Session on Sunday, June 23.

Themes and Opportunities

Under the leadership of the 81st President of the United States Conference of Mayors Reno Mayor Hillary Schieve, key priorities to be discussed will include — but not be limited to:

- The Surging Mental Health Crisis
- Housing and Homelessness
- Public Safety
- Technology and Innovation
- “Placemaking”
- Infrastructure Investment

Other priorities and opportunities include:

1. Direct engagement with high-level Biden Administration officials, Congressional leaders, as well as other key policy and thought leaders.
2. A Mayors-Only Discussion on Thursday afternoon (Subject TBA).
3. The consideration, debate, and adoption of policy resolutions submitted by member mayors. This will occur during the meetings of the 11 policy Standing Committees on Thursday, June 20 and Friday, June 21, and then during the official Annual Business Session on Sunday Morning, June 23.
4. Numerous opportunities for direct mayor-to-mayor engagement on a wide range of topics impacting cities of all sizes and in all regions of our Nation, and the sharing of best practices and innovative projects among mayors.
5. Priorities for the remainder of the 118th Congress.
6. Continued implementation of historic legislation passed by the 117th and 118th Congresses and signed into law by President Biden:
 - The American Rescue Plan Act (ARPA) — \$65.1 Billion for ALL Cities
 - The Bipartisan Infrastructure Investment and Jobs Act (IIJA) — \$1.2 Trillion over 10 Years
 - The Bipartisan CHIPS and Science Act
 - The Bipartisan Safer Communities Act
 - The Inflation Reduction Act (which includes key USCM priorities related to climate change and health care affordability and access)
 - The Bipartisan Fiscal Year 2024 Omnibus Appropriations Acts.
7. A plenary discussion on “The 2024 Election and Female Voters: Strategies to Boost Voter Turnout” during a luncheon on Friday, June 21.
8. The inauguration of Columbus, OH Mayor Andrew J. Ginther as the 82nd President of The United States Conference of Mayors during a luncheon on Sunday, June 23.
9. Networking opportunities with USCM Platinum Partners and Mayors Business Council Members.
10. Evening events arranged by our Host Mayor Quinton Lucas and his host committee that will highlight the very best of Kansas City, MO — and give all attendees the opportunity to talk, share stories, and be together as part of the USCM family. You can see all that is happening by checking out the [Host City Webpage](#).

Best Practices *Local Tools to Balance Urban Heat Zones and Energy Demand*

Heat mapping is a readily available computer-generated tool used to assess the demand for energy in a city and, when combined with other information, can provide a picture of demand that allows for informed decision making when planning energy use and infrastructure investment. Heat map information helps local officials apply best practices to mitigate surface heat in cities with design and materials that can augment energy demand planning.

Reflective coatings are one strategy to reduce surface temperature and heat storage by pavements and roofs. Additionally, a reflective coating may increase road service life under normal operating conditions because asphalt-based pavements wear and develop cracks due to higher surface and internal temperature ranges.

City Scale Solutions to Your Climate & Sustainability Goals

11:15 a.m. - 12:15 p.m.

Location TBA

Now more than ever, leaders must ensure buildings, communities, and cities can meet the challenges of climate change by reducing our carbon footprint and mitigating our risks in extreme weather. Hosted by the U.S. Green Building Council (USGBC), this forum will explore how we can answer the urgent call for rapid decarbonization and building resilient cities and communities through the use of USGBC tools.

Mayors are implementing a range of place-based, community-driven solutions to combat the climate crisis. We will explore the key policies and innovative approaches each city leader is taking to accelerate progress in their respective cities. Knowing the tools available and how cities have leveraged them can accelerate your community's strategy towards achieving climate action goals.

National WWI Museum and Memorial

We're bringing all of Kansas City's finest barbecue to you! Join us at the National WWI Museum and Memorial where several of our world-famous barbecue establishments will serve their best meats and sides.

And we need your help! After sampling each platter, your votes will crown one of the participants the winner of the U.S. Mayors Barbeque Choice Award.

Take tours of the museum, visit the top of the tower, and enjoy a rooftop party featuring the best skyline view in the city! Entertainment provided by The Phantastics, Kansas City's beat party band.

Destination Promotion: Increasing Community Vitality

11:30 a.m. – 12:30 p.m.

Location TBA

An engaging session that will explore key findings from the newly published report - *Destination Promotion: A Catalyst for Community Vitality*.

- Drive Quality of Life: Discover how strategic tourism promotion improves the quality of life for residents by supporting the development of local amenities and services.
- Attract and Retain Talent: Learn about the role of destination marketing in making communities attractive places to live and work, thereby attracting skilled professionals and retaining local talent.
- Cultivate Culture and Community: Understand how tourism fosters cultural enrichment and strengthens community ties by supporting local arts, heritage, and cultural events.
- Supporting Public Services: Examine how visitor spending and tourism tax revenues help fund essential public services and infrastructure improvements.
- Grow the overall economy: Explore the broader economic impact of tourism, including job creation, business growth, and stimulation of related industries.

Through compelling case studies and practical examples, the panel will highlight the integral role of destination organizations in promoting sustainable economic and community development. Attendees will gain valuable insights on how to leverage destination promotion to achieve their own city.

Don't miss this opportunity to learn from their valuable insights and experiences in using the transformative power of travel and tourism to build vibrant, thriving communities. Copies of the new research report "Destination Promotion: A Catalyst for Community Vitality" will be available for attendees.
